KRAYE ANGUS

WWW.KRAYEANGUS.COM

Welcome to the 26th Annual Kraye Angus Production sale.

We appreciate your interest in our cattle program. We realize that you have many different options and we are honored that you would consider adding Kraye genetics to your cow herds. At Kraye Angus, cattle are what we do. Our daily routines are centered around the cattle and what their current needs are. If we aren't feeding the cattle we are busy growing the hay to feed them, so it is fortunate for us that we are 100% committed to raising the best cattle possible.

The bulls in this sale offering have been closely evaluate from birth to sale day. These bulls make up the top 45% of all our bull calves, making them truly "the cream of the crop".

Sired by the most progressive bulls in the Angus breed, these young bulls will deliver some of the most powerful genetics available, for both performance and calving ease.

From cover to cover this sale catalog is packed with a solid set of deep bodied, heavily muscled bulls with strong bones and structural soundness. Bulls that are calm and easily handled with naturally good dispositions.

This year we are also offering six 2015 fall bulls, that will have a little more age and maturity, but have been handled in much the same way as the yearling bulls have been.

The 35 yearling heifers selected for the sale, came from our replacement heifers and were subjected to the same quality standards that the bulls have been. The heifers will be sold in groups of five, as purebred, commercial heifers and will be an excellent opportunity for someone to add some quality genetics to their cow herd.

The bulls and heifers are fed at home and available for inspection at any time.

All of bulls will be semen tested and ultra sounded, with the results processed thru the CUP program.

If you are looking to improve the quality of your cattle, it's been proven that the fertility and reproductive soundness of the Angus breed, along with strong maternal traits and growth efficiency are unequaled in any other breed.

We take enormous pride in consistently offering year after year, cattle of this quality. The bulls and heifers in this catalog are the products of a life-long commitment to raising the best cattle that we can and they have been developed to be top quality, honest, hardworking cattle.

We appreciate your interest in our cattle program and if we can be of any assistance to you in your selection of your herd bulls, please give us a call.

Sincerely,

The Kraye Family
