# KRAYE ANGUS

WWW.KRAYEANGUS.COM

Welcome to the 28 th Annual Kraye Angus Production Sale.

Thank you for taking the time to look thru our catalog. We realize that there are a lot of outfits selling bulls, and we do appreciate you considering ours as well. This is the 28 th year for the sale, but we have been in the cattle business for a lifetime. The cattle in the sale are the products of those years of experience and we have kept to our commitment to raise no nonsense, hard-working bulls that will work well in your own cattle programs.

Just surviving the last few months has been a challenge, but the bulls have done remarkably well, despite the weather conditions. On the average the bulls continued to have an average daily gain of 4.1 pounds.

Sired by the most progressive bulls in the Angus breed, these bulls will deliver some of the most powerful genetics available, for both performance and calving ease. The bulls have been semen tested, BVD tested and ultra-sounded, with the results processed thru the CUP program.

The 18-month-old fall bulls are from our fall calving herd, and they have been handled much the same way as the yearling bulls have been. This will be an opportunity to get some bulls that are a little more mature with the same genetic advantages. The fall bulls are kept close to the ranch, once they are weaned and they are extremely calm and completely used to seeing people every day.

It is our goal to provide our customers with bulls that are structurally sound, heavily muscled and deep bodied, that are easily handled with gentle dispositions. Raising cattle is what we do. Our cows are working moms and they are our livelihood, our hobby, our recreation and our passion. All Kraye bulls are family owned and Nebraska grown.

The heifer mates to the bull calves are an impressive group. We are proud of the type of cows these heifers will grow up to be. The heifers represent a dedicated effort to the improvement of our own cow herd. It is the proven, productive cow families that are the foundation of our cattle program and they are the roots that allow us to withstand the winds of industry change. The heifers in the sale will be sold in groups of 5 and will sell as purebred, commercial heifers.

One constant in our lives is being grateful to you, our friends and customers, for standing by us and continuing to use Kraye genetics to improve your cow herds. We truly do appreciate your business and we would like to take this opportunity to say Thank You.

We are offering the same volume discount, free delivery within 200 miles, or a \$100 refund for taking your bull home on sale day, and the 1 st breeding season guarantee.

The bulls stay here at the ranch until a week or two prior to the sale when we move them to the corrals in Mullen and they will be available for inspection at any time.

As always, we will have a complimentary lunch on sale day, and join us for a post-sale supper at the Hooker County Community Building at the fairgrounds, starting at 5 p.m.

We look forward to seeing you on sale day.

Sincerely,

The Kraye Family

## **- 1<sup>st</sup> Breeding season guarantee -**

*Bulls selling for \$3000, or more, are guaranteed for 60 days from the first turnout against breeding injury.*

*If a replacement bull is available, he will be provided. If the buyer prefers, credit towards another bull will be given in next year's sale.*

*Credit for the amount of purchase price minus \$1500 will be applied towards the purchase of another bull. Buyer keeps all salvage value.*

*Please notify us, as soon as possible, should injury occur and prior to the bull being sold for salvage.*

*This is not a Mortality Insurance Policy, nor does it cover mismanagement or neglect. We do not cover injuries sustained prior to the breeding season, if you bull is turned out with other bulls.*

*If mortality insurance is wanted, a livestock insurance representative will be available.*

*28th Annual*

**IN LOVING MEMORY  
 FRED L. KRAYE  
 AUGUST 6, 1934 - JULY 16, 2018**

There is an emptiness on the ranch now. Fred was as much a part of the ranch as the sky and the grass. We still look up and expect to see him coming down the road. The boys always claimed that Fred had an inner radar and you couldn't start a tractor to farm or rake hay, that he didn't just show up. We hope his heaven is full of tractors and trucks, with endless hours of farming and countless miles to travel.

We miss you, Dad. It brings us comfort to know that you and Mom are together again, doing the things that you love.
